

Team Name: **sdmay24-23**

Team Members: **Joshua St John, Zachary Zemlicka, Jared Melcher, Lukas Zerajic, Christopher Sell, Varun Advani**

Report Period: **Aug 28-Sept 10**

***Due to our client being unavailable to meet during the report period, we included what we did the following week as well (Sept 10-17)***

Summary of Progress in this Period

**Friday, Sept 15 – first meeting with Dr. Zhang**

- **Create project roadmap for next meeting**
- **Set up Microsoft Project software**

Pending Issues

- **Had a little trouble scheduling a meeting with client due to his booked schedule, so initial meeting was later than expected**
  - **In order to create project roadmap, we need to learn enough about 5G to decide a direction for our group project first**
- 

Plans for Upcoming Reporting Period

- **Create project roadmap**
  - **Begin learning/exploration of 5G technical documentation**
  - **Meet as a group next Sunday 2pm to decide a group project direction/idea to talk about at our next meeting with Dr. Zhang**
-
